## Vince Gutierrez, DPT, ATC

Vince's interest in sports and human movement and his commitment to helping others influenced his choice to pursue a career in physical therapy. After graduating from Bellarmine High School, Vince attended Loyola Marymount University and graduated in 1992 with a Bachelor of Arts degree in Psychology. In 1999 Vince obtained his athletic training certification and then attended Northwestern University, where in 2001 he earned both a Master's degree and a Doctor of Physical Therapy degree. His long-held interest in sports originated in his own participation and success in athletic endeavors, which have included basketball, football, baseball, golf, rugby, softball, and, most recently, hockey. Loyola Marymount's rugby team won their division championship three of the four years Vince played for them, and he was named team MVP twice. Vince is the Clinical Director of our Los Gatos facility.
